# Last four weeks in North America

## 2 October 2022 - 29 October 2022

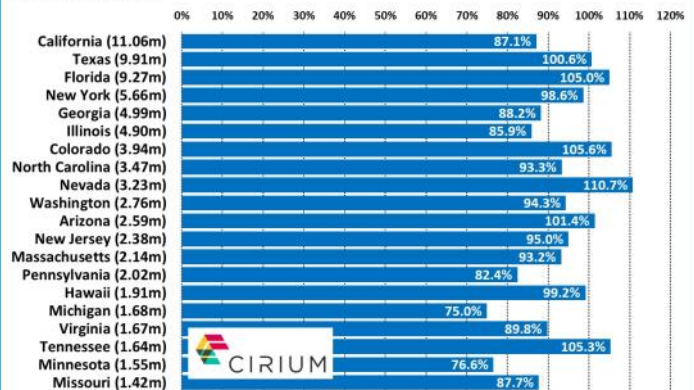

Air Service One has identified and confirmed 30 new routes that launched in North America during the last four weeks (2-29 October). Curiously, that's exactly the same number that we found in the four weeks before that.

- Of these 30 routes, 20 were new US domestic services. Allegiant Air, American, Avelo, Breeze, Contour, Delta, Spirit and United all had something to celebrate.
- There were 10 new international routes. These were launched by Air Caraïbes, Air Premia, Air Tahiti Nui, American, Flair, Spirit (two), United and Vivaaerobus (two).
- Two of the routes were over 11,000 kilometres with United connecting San Francisco and Brisbane with non-stop service and American now offering non-stop flights between Dallas/Fort Worth and Auckland.
- Three of the routes were under 300 kilometres. Two were offered by Contour Airlines and one by Delta.
- Of the 30 routes, only seven were already flown by other carriers.
